## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant's arguments in paragraph 3 on page 6 of the response filed 12/20/2006 in regards to the 112 rejection are persuasive. In light of the fact that the amendment did not add new matter, the argument in paragraph 1 on page 7 is persuasive. Kobata does not completely send a message before checking for complete reception. Paragraph 2 of Kobata states "... a large amount of the information may have already been transmitted [sent] at the time of interruption." Although Kobata indicates a majority of the message has been sent, it does not indicate the entire message was sent before the interruption.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
